

# An individual differences perspective on memory, learning and cognition

**A Festschrift in honor of Cesare Cornoldi**  
June 6<sup>th</sup> 2018, Archivio Antico - Palazzo Bo, Padova

## Opening remarks

9:00-9:15 - *Greetings from authorities*

9:15-9:25 - **Barbara Carretti** (University of Padova, Italy)

9:25-9:45 - **Tore Helstrup** (University of Oslo, Norway):  
Some reflections on soul and information

## Session 1: Working memory

**Chair: Irene C. Mammarella** (University of Padova, Italy)

9:45-10:10 - **Robert Logie** (University of Edinburgh, UK): The many faces of visuo-spatial working memory

10:10-10:35 - **André Vandierendock** (University of Gent, Belgium): Order coding in working memory

10:35-11:00 - **Ricardo Basso Garcia** (University of São Paulo, Brasil): Working memory and the learning of cross-modal binding of visual-phonological and visual-spatial information

## Coffee break 11:00-11:15

## Session 2: Age and Individual differences in working memory and complex cognition

**Chair: Erika Borella** (University of Padova, Italy)

11:15-11:40 - **Anik de Ribaupierre** (University of Geneva, Switzerland): Intraindividual variability and cognitive development

11:40-12:05 - **Jane Oakhill** (University of Sussex, UK): Children's difficulties with text comprehension: Focus on vocabulary and inference.

12:05-12:30 - **Jodene Fine** (Michigan State University, USA): Neurodevelopmental visuospatial syndrome

12:30-13:00 - **Santiago L. Pelegrina** (University of Jaen, Spain): Age related differences in working memory updating

## Lunch 13:00-14:30

## Session 3: Spatial cognition

**Chair: Chiara Meneghetti** (University of Padova, Italy)

14:30-14:55 - **Michel Denis** (CNRS, France): Imagery and cognition: A European and North American scientific venture

14:55-15:20 - **Barbara Tversky** (Stanford University, USA): Spatial Thinking in the Mind and in the World

15:20-15:45 - **Valerie Gyselinck** (IFSTTAR, France): Working and spatial memories

15:45-16:10 - **Annalena Venneri** (University of Sheffield, UK): Images in the brain

## Coffee break 16:10-16:25

## Session 4: Memory and Learning processes

**Chair: Angelica Moè** (University of Padova, Italy)

16:25-16:50 - **Giuliana Mazzoni** (University of Hull, UK): Memory or Belief?

16:50-17:15 - **Svein Magnussen** (University of Oslo, Norway): Beliefs about eyewitness memory among European psychology and law professionals: France, Italy and Norway

17:15-17:40 - **Asher Koriat** (IIPDM, Israel): The allocation of effort during self-regulated learning

## Concluding remarks

17:40-18:00 - **Francesca Pazzaglia** (University of Padova, Italy) & **Tomaso Vecchi** (University of Pavia, Italy)

Registration, that is free, is required. Max availability: 80 seats
